Dear Daniel:

On behalf of the staff, partner agencies, and clients served by the Atlanta Community Food Bank, I want to thank you and your colleagues at Moore Ingram Johnson & Steele, LLP for your overwhelming response to the needs of hungry Georgians through the 5th annual Georgia Legal Food Frenzy.

Your efforts helped the Atlanta Community Food Bank raise a total of **\$184,006.56** and collect **15,149** pounds of food to ensure that struggling families, seniors, and children across greater Atlanta and north Georgia have enough to eat this summer. That means you will help us provide food for **748,650 meals!** What a tremendous impact that will make in the lives of so many.

As you know, the full results of the statewide competition were recently announced. We are proud that 10 of the 14 award winners hail from our service area once again this year! Wherever you ranked, we commend your generosity and commitment to helping our neighbors in need. You should be proud knowing that Moore Ingram Johnson & Steele, LLP:

- Raised **\$6491**, the equivalent of 25964 pounds of food
- Collected **92** pounds of food
- Accumulated a total of **32695** pounds in the competition
- Placed **1** among your local peers in the Large Firm (101+ employees) category with 272 pounds/employee collected

Please extend our appreciation to your entire staff and all the people that made this food and fund drive possible. We eagerly look forward to another successful Legal Food Frenzy next year, and hope you will continue to be a strong partner and friend of the Atlanta Community Food Bank.

With appreciation,

Kyle Waide
